Biographical Sketch and Picture - Tips

A biographical sketch is a personal document about you - who you are, what you care about, why you want to go into the field of study you've chosen, and/or why you want to explore different options before you settle on a post-secondary pathway.

Explain why you are applying for a Bursary or Scholarship. Examples are writing about your achievements, awards, volunteerism, leadership, sports and art activities, character strengths, values and beliefs, employment and commitments.

Also, please answer the following questions:

- 1. What does the next year of your life look like? What are your goals? and How do you plan on achieving them?**
- 2. How have you been involved within the community? Whether it be sports, arts, employment, volunteer work, or time at home. What do you see changing in the future? Or what would you like to see change/stay the same?"**

Please include a picture of yourself (school picture).

Letters of Recommendation Tip Sheet

Mission Community Foundation is here to help support students and families with the significant costs associated with post-secondary education by awarding Bursaries and Scholarships.

Letters of Recommendation should give an idea about the personal characteristics, strengths, and capabilities of the student to help the Scholarship/Bursary Interview Committee make decisions.

Family members cannot provide a Letter of Recommendation.

CONTENT

Opening paragraph: The writer should explain the relationship with the student.

Body of letter: The writer should provide specific information on the student as follows:

- Personal characteristics
- Specific areas of strength
- How the student interacts with others
- Exceptional skills, knowledge, experience, background

Closing paragraph: Summarize points and clearly state you are recommending the student for a Scholarship or Bursary.
